

*An open letter to The Medical Center of Aurora Medical Staff...*

April 2010

Judith K. Bodnar, MD, President of the Medical Staff  
Medical Staff  
The Medical Center of Aurora  
1501 South Potomac Street  
Aurora, Colorado 80012

Dear Dr. Bodnar and Medical Staff,

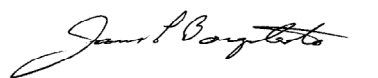

It is deeply appreciated by Colorado Physician Health Program (CPHP) when the Medical Staff at dedicated hospitals such as The Medical Center of Aurora step forward to help hurting medical professionals through a gift that promotes healing and wellness.

On behalf of the CPHP Board of Directors, Clinical Staff and Administration we would like to express our sincerest gratitude for your outstanding and generous support to our **2008-2009 Spirit of Medicine Campaign**. It is only because of generous contributions by the Medical Staff at hospitals such as The Medical Center of Aurora that CPHP can continue providing direct physician services and conduct education and outreach efforts within the Colorado medical community.

Your support and gifts are always so vital and inspiring to our program. Please know that your kindness and generosity helps ensure that our medical community continues to provide outstanding care for patients by supporting a healthy, nurturing environment for the medical professionals who deliver that care.

As CPHP continues providing exceptional peer assistance services to the Colorado medical community, please know how important you are to our ongoing work and progress. Thank you very much again for your caring, dedication and support of the program. We are honored to recognize The Medical Center of Aurora as a contributor and your staff among our friends.

Sincerely,

  
James P. Borgstede, M.D.  
Chair, Board of Directors

  
Sarah R. Early, Psy.D.  
Executive Director

  
Doris C. Gundersen, M.D.  
Medical Director
